Users can search for members using all member information, including those in basic member search and user defined member fields.

Input the search criteria, then press <Submit>.

Members who meet the search criteria will be shown.

Member search results					
Member code	Member name	Telephone	Email	Member group	Action
WeM-00001	Mary Ho	23333333, 95124568		VIP Gold	<input type="checkbox"/> Remove <input type="checkbox"/> Remove
WeM-00002	Mr Man Kin San Ray	91999999		New Member	<input type="checkbox"/> Remove <input type="checkbox"/> Remove

1. Users can press <Remove> to dismiss members, who are not the target members, from the search results.

Back	Old SMS	New SMS	Change group	Change shop	Change consultant	Print label	Close
------	---------	---------	--------------	-------------	-------------------	-------------	-------

2. Users can then select wanted function and it will only apply to outstanding members.

Old SMS: If the system has SMS function, the content of sent SMS is shown here. Selecting an old SMS can help resend the SMS to member at search results.

New SMS: If the system has SMS function, users can create and send the SMS to member at search results.

Change group, shop, consultant: Select this function can change the member group, shop and consultant.

Print label: Print label with member's address to help users stick the labels on promotion information and send to member.
