COLOCATION SERVICE AND UTILITY CHARGE ADJUSTMENT

December 2, 2022

Dear Sir/Madam,

Due to CLP Power company's announcement of tariff increase 19.8%, we would like to inform you that HKCOLO.NET will be increasing its colocation service and utility charges **monthly** in 2023 by the same percentage of increase by CLP Power company from time to time effective from January 01, 2023.

HKCOLO.NET values your business and we always look for ways to continue the highest quality services at the most economical cost. However, where cost increases are imposed on us, we have no alternative but to pass the increase through. The adjustment is now necessary in order to maintain the same level of quality in services. We hope for your understanding.

Should you have any questions or concerns, please feel free to contact us at cs@hkcolo.net or your Account Manager.

Yours Sincerely,

Customer Service Department
